

DriveTime

DriveTime has the used car sales residents are excited about!

If you want to know why you should continue to search for used car sales? DriveTime is the answer! We know how hard it can be to find a quality used car and get approved for a loan when you have less-than-perfect credit, but at DriveTime we're here to make it possible. We focus on selling used cars to people who have poor credit and we do 99% of our own financing in-store. So if you're shopping for used car sales, DriveTime locations are ready to help you!

By doing most of our own financing, we are able to consider financial aspects that most other banks and lenders never even look at. We can almost guarantee that you will be approved and the application process is just so simple. All you have to do is fill out a short online application and submit it. You will know within two minutes of submission whether you have been approved with DriveTime. This means that you will never have to deal with a bank or a lender because we do all your financing at DriveTime for you! Once you find out whether you have been approved, you will need to visit a nearby Las Vegas DriveTime and speak with a Go-to-Guy about the remainder of the buying process.
